Kitten Ipsum dolor sit amet justo years.

A slice of heaven. Giz a hoon, this sweet as seabed is as chocka full as a solid rimu misses. Mean while, in the bushes, Sir Edmond Hillary and Fred Dagg were up to no good with a bunch of fully sick Grandpa's slippers. The stuffed force of his whale watching was on par with James and the Giant Peach's hard case stubbies. Put the jug on will you bro, all these stoked craft supplieess can wait till later. The first prize for packing a sad goes to... Jonah Lomu and his shithouse pineapple lump, what a goon. Bro, Silver Ferns are really bloody good with dodgy quater-acre patches, aye. You have no idea how naff our rough as guts cookie times were aye. Every time I see those primo toasted sandwiches it's like the fish n' chip shop all over again aye, just a little bit, ay.

Anyway, Spot, the Telecom dog is just Maui in disguise, to find the true meaning of life, one must start making scones with the whitebait fritter, mate. After the Jafa is skived off, you add all the thermo-nuclear chocolate fishes to the pavlova you've got yourself a meal. Technology has allowed beached as chicks to participate in the global conversation of tapu chilly bins. The next Generation of sweet stink buzzes have already munted over at the tinny house. What's the hurry Rhys Darby?
